

Return Policy and Suitability Assurance Rotating Beds for couples

Combination Rotating Beds can only be purchased

On the day of the delivery:

On the day of the delivery or Combined Delivery and Assessment (CDA), the customer may choose not to keep their bed, if they feel that it is not suitable for them. This decision must be made whilst our delivery team is still at the delivery address. In this case, all monies paid will be fully refunded.

After the delivery:

After the delivery of the Combination Rotating Bed, should you wish to return your bed, you must inform us within 14 days of the delivery. You may return the Combination Rotating Bed but there will be retention of £2000 to cover incurred costs. This applies to all purchases of new and refurbished beds. The remaining money paid will be refunded less the cost of any personal aesthetic choices such as oak or upholstered surrounds.

14-day mattress exchange:

Within 14 days of the installation, the customer may exchange their mattress to an equal value, providing its condition is 'as new'.

14-day bed exchange:

Within 14 days of the installation, the customer may exchange their Combination Rotating Bed for an alternative Theraposture product to an equal value, providing its condition is 'as new'. If the replacement product costs less, the difference will not be refunded. If the replacement product costs more, the difference must be paid.

Oak frames and upholstered surrounds are personal aesthetic choices and cannot be refunded and are not covered under the Suitability Assurance.

If a bed is to be remade or modified, a remake agreement must be signed by the client and by Theraposture. Remakes or modifications are not supported by a further Suitability Assurance and cannot be returned or refunded.

“Our objective is to achieve a positive outcome for all involved but with the priority being the person using the equipment. It is in no one’s interest for a client to be left with an unsuitable product. We want you to be able to proceed with your purchase confident that we share the same goals as you do. With Theraposture you can proceed without financial risk of buying a product and being stuck with it, if it is not what you expect it to be.”
